CLINTON PRESIDENTIAL PARK ATTRACTIONS

CLINTON PRESIDENTIAL PARK BRIDGE
Dedicated on September 30, 2011, by President Clinton, Secretary Hillary Rodham Clinton, and Chelsea Clinton, the renovation of the Clinton Presidential Park Bridge closed the eastern loop on the Arkansas River Trail, one of the finest urban trail systems in the country. The bridge is one of three downtown Arkansas River crossings lit with environmentally-friendly LED lights, which provide a colorful display that enhances the city’s nighttime skyline and pedestrian enjoyment.

ANNE FRANK TREE INSTALLATION
The Anne Frank Tree Installation surrounds a sapling taken from the white horse chestnut tree that stood outside the secret annex where Anne Frank hid with her family. This powerful installation honors the spirit of Anne Frank and displays the complex history of human rights in Arkansas and throughout the world, through reflections of the Indian Removal Act of 1830, Japanese-American Internment, and the Central High Integration Crisis.
